

PRESS RELEASE

Braunform honours 23 long-serving and valuable employees at a special event

Braunform GmbH, a leading international supplier in the field of plastic mould making and plastics technology, has been developing innovative solutions for various industries for over 45 years.

At a ceremony at the company headquarters in Bahlingen, 23 employees were honoured for their many years of valuable service at Braunform. Two employees were honoured with 30 years of service, five employees with 25 years and nine employees with 10 years of service. The company is particularly proud of the first employee with 45 years of service, who also completed his training at Braunform. Managing Director and owner Pamela Braun and General Manager Joachim Stiller personally presented them with a certificate and a gift as an expression of gratitude and respect. Pamela Braun emphasised with the words of Pele "Success is no coincidence. It is hard work, perseverance, learning, study, sacrifice and, above all, love for what you do or learn to do."

The anniversary celebration is a special occasion for Braunform to show its appreciation and recognition for the commitment and loyalty of its employees. It is also an opportunity to honour those celebrating anniversaries personally and to thank them for their commitment and passion. The jubilarians are an important part of the Braunform family, which has mastered many challenges and celebrated many successes together. It is an expression of the joy and pride that Braunform feels for those celebrating their anniversaries. At the same time, it is also an opportunity to share the successes and visions of Braunform. Braunform GmbH has acquired new strategic projects and customers in the past financial year and will continue to strive to be one of the world market leaders in its sector in terms of innovation and quality.

Braunform at a glance

Braunform GmbH, founded in 1977 by Erich Braun in Bahlingen a. K., today is one of the world's leading partners in the field of plastic mold making. The long-term oriented family business has made it its goal to produce injection molds for whose end products - according to today's standards - plastic as a raw material is without alternative or more resource-saving than the possible alternative. The unique selling point of the mold-shop is the pharmaceutical production in own clean rooms according to GMP C and D. Today, Braunform GmbH is managed by Mrs. Pamela Braun (Managing Partner), Mr. Emmanuel Foyer (General Manager) and Mr. Joachim Stiller (General Manager). With 365 employees, the company is considered to be an important employer in the region in the southwest of Germany.
