PRESS RELEASE

Bahlingen GmbH/Germany: Christian Himmelsbach new Sales Manager at Braunform GmbH

Braunform GmbH, one of the world's leading companies in the field of plastic mould making, is pleased to announce the appointment of Christian Himmelsbach as its new Sales Manager.

He took over the company's sales activities in their entirety in September 2023. As a State Certified Technician (specialising in machine technology) and Master Professional of Technical Management (CCI), he has more than 14 years of professional experience in the field of injection moulding technology. Mr. Himmelsbach (35) worked in technical sales and project management for more than 10 years, most recently for 2 years as authorized signatory and head of sales and project management for a well-known company in the automotive supplier industry. In his previous positions, Christian Himmelsbach was responsible for European and Asian customers. "We are pleased to have won Christian Himmelsbach as competent sales manager", says Joachim Stiller, Managing Director of Braunform GmbH.

With almost 20 employees in sales and project management, Braunform GmbH supports its customers with a competent and committed team that meets the requirements of the market and is also able to implement their customers' developments and ideas, with the injection mould as the core element.

Braunform at a glance

Braunform GmbH, founded in 1977 by Erich Braun in Bahlingen a. K., today is one of the world's leading partners in the field of plastic mold making. The long-term oriented family business has made it its goal to produce injection molds for whose end products - according to today's standards - plastic as a raw material is without alternative or more resource-saving than the possible alternative. The unique selling point of the mold-shop is the pharmaceutical production in own clean rooms according to GMP C and D. Today, Braunform GmbH is managed by Mrs. Pamela Braun (Managing Partner), Mr. Emmanuel Foyer (General Manager) and Mr. Joachim Stiller (General Manager). With 365 employees, the company is considered to be an important employer in the region in the southwest of Germany.
