### **Celebration at Braunform: 20 jubilees honored**

Braunform GmbH, one of the world's leading suppliers of plastic molds and plastic technology, has been developing innovative solutions for various industries for over 45 years. In a festive ceremony at the restaurant "Adler" in Königschaffhausen, 20 employees were honored for their many years of valuable service.

Four employees were honored for 30 years of service, four for 25 years and six for 10 years. Special mention should be made of the employees who have been part of the Braunform family for 40 and 45 years and who have also completed their training at the company. Managing Director and owner Pamela Braun and General Manager Emmanuel Foyer personally handed over certificates and gifts as a sign of deep gratitude.

In addition, three colleagues were officially sent into their well-deserved retirement.

The jubilees celebration gave Braunform the opportunity to express its immense appreciation and recognition for the commitment and loyalty of its employees. It was a special moment to personally honor the jubilees and thank them for their tireless efforts and passion. They are important pillars of the company, contributing significantly to its success and development.

Tobias Schnurr (10 years), Manfred Hauber (10 years), Lucia König (10 years), Sven Kreutner (10 years), David Matthiss (10 years), Wilhelm Tontsch (10 years), Pierre Dumont (25 years), Manuel Torres (25 years), Peter Hart (25 years), Thomas Geier (25 years), Tobias Dietrich (30 years), Frank Haag (30 years), Sonja Kipper (30 years), Georg Seebacher (30 years), Thomas Adler (40 years), Henry Breisacher (45 years), Klaus Bühler (45 years)

Jubilees at Braunform GmbH and the Braun family

### **Braunform at a glance**

Braunform GmbH, founded in 1977 by Erich Braun in Bahlingen a. K., today is one of the world's leading partners in the field of plastic mold making. The long-term oriented family business has made it its goal to produce injection molds for whose end products - according to today's standards - plastic as a raw material is without alternative or more resource-saving than the possible alternative. The unique selling point of the mold-shop is the pharmaceutical production in own clean rooms according to GMP C and D. Today, Braunform GmbH is managed by Mrs. Pamela Braun (Managing Partner), Mr. Emmanuel Foyer (General Manager) and Mr. Joachim Stiller (General Manager). With 380 employees, the company is considered to be an important employer in the region in the southwest of Germany.

### **Mission Statement**

Molding Your Visions: We mold the needs of our customers. We provide solutions to effectively produce our customers' products using clean, state-of-the-art technology with core competencies in mold making, injection molding and full service.

### **Braunform in Detail**

Braunform specializes in the production of multi-component molds, multi-cavity molds, stack molds, molds for medical technology (MED Mold®) as well as fast, long-lasting rotary tables. The fully air-conditioned precision mold shop with state-of-the-art production technology serves – amongst others – industries like pharmaceutical, personal care, water technology, electrical and automotive. For the pharmaceutical industry, sophisticated manufacturing processes, including automated assembly and stamping, are implemented in state-of-the-art clean rooms in accordance with GMP C and D. In our own technology center, injection molding machines for 2K (with silicone gating) and 3K applications can be used for pre-series production. Due to project management and full-service engineering, shortest time-to-market times are made possible and costs are significantly reduced. Key elements are process reliability, shorter cycle times, increased output and highest product quality in combination with support and consulting for sustainable production processes. The company is certified according to DIN EN 13485 / 15378 / 9001 / 14001 / 50001.

The company is fully committed to "Engineering Made in Germany". This includes not only a highly qualified, enthusiastic team and a high proportion of apprentices (10%), but also highest quality and technological leadership. The declaration of sustainability, which is firmly anchored in the company's policy, commits the company to constantly improving its own CO2 footprint. In 2020, the company was also awarded a silver medal by the sustainability platform "Ecovadis". Both company health care and social commitment are given high priority. As one of the best employers in Germany, Braunform received the "Top Job" award for the third time in 2020, following 2014 and 2017.
