Braunform GmbH bids farewell to long-time employee Dieter Kümmerlin on his retirement

At the end of December 2024, Braunform GmbH bid farewell to its long-standing employee Dieter Kümmerlin on his well-deserved retirement. Mr. Kümmerlin can look back on an impressive 44 years with the company, which began on September 1, 1980 with an apprenticeship as a toolmaker.

After his training, he worked in the grinding department of the mold making division in Bahlingen, where he acquired extensive technical know-how. In 1987 he took over the management of the department and in 1992 he qualified as a master toolmaker. As head of the surface grinding department, he was responsible for his team until his retirement in December and made a significant contribution to the development of the company.

Owner and Managing Director Pamela Braun expressed her deep gratitude to Mr. Kümmerlin for his tireless commitment, faithfulness, reliability and loyalty. "Working successfully for such a long time in one and the same company is a special feature nowadays. Dieter Kümmerlin has made a very personal contribution to the development of our company," emphasized Mrs. Braun.

Erich Braun, founder of the family business, also thanked Mr. Kümmerlin personally for the long and good cooperation as well as the special commitment. Braunform GmbH, which today employs 380 people at its sites in Bahlingen and Endingen, is proud of the long-standing loyalty and commitment of its employees. Since the company was founded in 1977, more than 300 apprentices have started their training at Braunform. Many of them are in management positions today.

Braunform at a glance

Braunform GmbH, founded in 1977 by Erich Braun in Bahlingen a. K., today is one of the world's leading partners in the field of plastic mold making. The long-term oriented family business has made it its goal to produce injection molds for whose end products - according to today's standards - plastic as a raw material is without alternative or more resource-saving than the possible alternative. The unique selling point of the mold-shop is the pharmaceutical production in own clean rooms according to GMP C and D. Today, Braunform GmbH is managed by Mrs. Pamela Braun (Managing Partner), Mr. Emmanuel Foyer (General Manager) and Mr. Joachim Stiller (General Manager). With 380 employees, the company is considered to be an important employer in the region in the southwest of Germany.
